

SUMMER PRICE LIST 1957

ASSORTMENTS

For those wishing but a few of a kind, we recommend our select assortments. Each assortment is composed of carefully selected plants in each price group and often include kinds we do not have in sufficient quantity to list.

In the first four assortments listed below, the same number of plants of each kind is included. The other five assortments will vary in numbers of each kind owing to the purpose of the assortment and stock limitations.

Assortments as well as plants ordered by name will be labeled with plant names free, upon request only.

MINIATURE—Tiny all cactus or cactus and succulents mixed for 1¼ in. pots. Our selection. \$4.50 per 100.

SUNSET—All cactus, all succulents or mixed as requested for 2-2½ in. pots at \$7.50 per 100.

GOLDEN WEST—Larger plants of the Sunset group for 2½-3½ in. pots at \$10.00 per 100.

LITTLE JEWEL—These are the slow growing choice cactus of our own price group "B" for 2-2½ in. pots at \$10.00 per 100.

ROYAL—Larger or choicer plants for 2½-3½ in. pots. Please say whether large size or choicer kinds are preferred. \$15.00 per 100.

SUPER—Larger or choicer plants for 3-4 in. pots. Please say whether large plants or smaller choice items for fanciers are desired \$25.00 per 100.

SUPER DUPER—Still larger or better plants as preferred. \$35.00 per 100.

GATES DISH GARDEN ASSORTMENT—Carefully selected cactus and succulents in varying numbers from various size and price groups for the purpose of making up complete, well balanced dish gardens. \$8.00 per 100.

FANCIER'S—Choice kinds from our retail price list that will appeal to collectors of better plants than are usually found on the market. Labeled at \$15.00 per 100.

POTTED PLANT ASSORTMENTS

For the first time we offer five popular assortments of well established, nursery grown plants of the highest quality in 2¼" green, red, white, coral and yellow plastic pots.

Each assortment is composed of 10 varieties, 5 plants per variety. Each plant harmonizes with the pot color and each assortment is balanced, containing tall and globular types.

Price per carton of 49 labeled plants is \$7.84 or 16c per plant. Price per carton of 49 unlabeled plants is \$7.35 or 15c per plant. Prices are F.O.B. Corona, Calif.

WHOLESALE TERMS

Cash with order. Packed F.O.B. Corona. 50% cash advance with C.O.D. orders. Minimum wholesale order \$7.50. Hundred rate price applies on twenty-five or more of one kind. For prices on smaller lots of a kind, see notation at heading of the general listings.

TRANSIT LOSSES

The goods are yours when delivered to the transportation company. Claims for heating, freezing, delay or poor handling must be taken up with the transporting agency. In order that you may properly make claim upon the transportation company for transit losses, always ask the delivering agent for a bad order inspection.

LABELING

We label with plant names only when requested.

QUANTITY DISCOUNTS

On shipments amounting to—

\$50.00 or more 5% \$100.0 or more 10%

Quantity discounts apply to cash or C.O.D. orders. Customers who have established account standing, will be billed at the hundred rates and the above discounts will be allowed if remittance is mailed within twenty one days of invoice date.

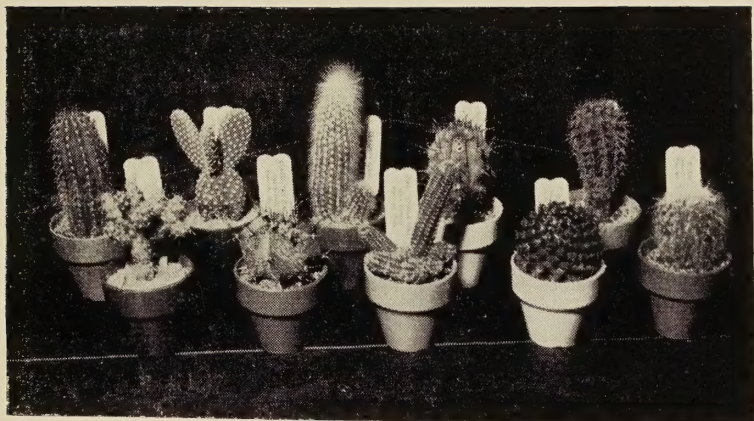

SATISFACTION GUARANTEED

We guarantee quality and fair value. If not satisfied on these points return the goods at once at our expense for full refund.

THIS PRICE LIST CANCELS ALL OTHER PRICE LISTS

Prices listed for 100 of a kind. For ten or more of a kind and less than twenty-five, add 20% service charge. If you desire less than ten of a kind, order one of our assortments and ask for as large a variety as possible. Since these prices are wholesale, \$7.50 is the minimum per order. Approximate sizes of the plants we offer, are given in inches below the price headings. For quantity discounts see "Terms" on the first page.

CACTUS PLANTS	Price Group		A	B	C	D
	Price per 100		\$7.50	\$10.00	\$15.00	\$25.00
ASTROPHYTUM MYRIOSTIGMA. "Bishop's Cap." Globular, usually 5 white dotted ribs, no spines				1 1/2-2		
Astrophytum ORNATUM. "Spiny Bishop Cap." Globular, usually five angled, many white dots, stout spines, yellow flower				1 1/2-2	2-2 1/2	
AZUREOCEREUS AYACUCHENSIS. A new tree cactus from Peru. Stout columnar, dark blue-green				1 1/2-2	2-3	
CEPHALOCEREUS PALMERI. Stout columnar, fluted ribs, some white hair				2-3	3-5	
Cephalocereus SENILIS. "Mexican Old Man." Stout Columnar, covered with long white hair				1 1/2-2	2-2 1/2	2 1/2-3
CEREUS PERVIANUS. Tall, columnar, few blue-green ribs		2-3		3-5		
CHAMAECEEREUS SYLVESTRIL. "Peanut Cactus." Forms dense clusters of short branches, weak spines, red flowers		2-3				
CLEISTOCACTUS HYALACANTHUS. White Straussii, Columnar, covered with short weak, white spines		2-3				
Cleistocactus STRAUSSI. "Silver Torch." Columnar, covered with short yellowish spines, few darker		2-3				
DOLICHOTHELE LONGIMAMMA. Cushions of long green nipples, weak, light colored spines, yellow flower				1 1/2-2		
ECHINOCACTUS GRANDIS. "Blue Ball." Globular, purple markings, dark green spines, attractive				1 1/2-2		
ECHINOPSIS HYBRIDS. "Easter Lily Cactus." Globular, some long, some short spined, very large pink or white flowers in spring and summer		1 1/2-2		2-2 1/2	2 1/2-3	3-4
Echinopsis LEUCORHODANTHA. Small globular, short spines		1 1/2-2		2-2 1/2		
Echinopsis MIRABILIS (Setiechinopsis). Unusual, dwarf, cob shaped, dark body, slender, white night flower				2-2 1/2		
Echinopsis MULTIPLEX. "Pink Easter" Lily. Globular, spiny, large pink flowers. Day bloomer. Flowers in spring and summer.		1 1/2-2		2-2 1/2		
ESCONTRIA CHIOTILLA. Columnar, few light green ribs, light colored spines, very attractive		2-3				
ESPOSTOA LANATA. "Old Man of Peru." Stout columnar, covered with soft white wool				2-2 1/2	2 1/2-3	3-4
FEROCACTUS MELOCACTIFORMIS. Globular, light green, yellowish spines		1 1/2-2		2-2 1/2		
Ferocactus PILOSUS (Pringlei) Globular, becoming stout, cylindrical, stout reddish spines, not hooked		1 1/2-2		2-2 1/2		
Ferocatus RECTISPINUS. "Hat Pin Cactus." Globular with long straight or curved spines		1 1/2-2		2-2 1/2		
GYMNOCALYCIUM SAGLIONE. A giant among the "Chin Cactus". Globular, strongly tuberculate, red-brown spines				1 1/2-2		
HAAGEOCEREUS CHOSICENIS. "Golden Columns." Stout columnar, many low ribs covered with short golden to brown spines				2-3	3-4	
HAMATOCACTUS SETISPINUS. "Strawberry Cactus." Globular, light brown spines, yellow flower. Free blooming during spring and summer. Red fruit		1 1/2-2		2-2 1/2	2 1/2-3	
LEMAIREOCEREUS MARGINATUS. "Pipe Organ." Columnar, few dark green ribs, very short spines		2-3				
Lemaireocereus MARTINEZII. Stout columnar, dark green fluted ribs, short dark spines				2-2 1/2		
Lemaireocereus PRUINOSUS SQUARE. "Blue Mitre." Heavy, angular, columnar, bluish		2-3		3-5		
Lemaireocereus PRUINOSUS TALL. Heavy, angular, columnar, bluish, taller growing than the Square variety.		2-3		3-5		
Lemaireocereus STELLATUS. Stout columnar, gray to purplish body, short spines					5-8	
LOBIVIA, BINGHAMIANA. Clustering, globular, green, short gray spines, many red flowers		1 1/4-1 1/2		1 1/2-2		
Lobivia FAMATIMENSIS. "Orange Cob Cactus." Cob shaped, short spined, flowers may be orange, yellow or red				1 1/2-2	2-2 1/4	
LOPHOCEREUS SCHOTTII. "Crested Cereus." Stout columnar, 4-5 ribs, fewer and shorter spines		2-3				
MAMMILLARIA ALJIBENSIS. Globular, covered with very short white spines, small pink flower				1 1/2-2		
Mammillaria BOCASANA. "Powder Puff." Flattened globular, white hair over short hooked spines, yellow to pink flower				1 1/2-2		
Mammillaria BOCASANA VAR. ED HUMMEL. Globular, white woolly, freely clustering, minute hooked spines, rot resistant				1 1/2-2		
Mammillaria CAMPTOTRICHA. "Bird's Nest Cactus." Hemispherical with long nipples, tipped with weak soft spines, yellow flower				1 1/2-2	2-2 1/2	2 1/2-3 1/2
Mammillaria CARNEA. Globular, green, angled nipples, short brown spines				1 1/2-2

PLEASE NOTE

This 1957 Illustrated Picture Supplement is provided to enable you to choose those plants best suited for your requirements.

Although this is our twenty-eighth year of quality cactus growing, and we are today California's largest Cactus and Succulent Nursery, still we are unable to keep up with the demand.

Current sales have broken all records. Consequently we ask you to refer to our latest Price List before ordering. Please indicate substitutions where possible.

NURSERY GROWN PLANTS ARE BETTER

	Price Group Price per 100	A \$7.50	B \$10.00	C \$15.00	D \$25.00
Mammillaria CELSIANA . Globular, densely covered with short, creamy yellow spines			1½-2		
Mammillaria COLLINSII . Globular, dark, often reddish with light colored spines, yellow flowers, soon clusters			1½-2		
Mammillaria COMPRESSA . Clustering, flattened heads, long spines with light bases and purplish tip			1½-2		
Mammillaria DURISPINA . Globular, short, black tipped spines, ruby flower			1½-2	2-2½	2½-3
Mammillaria ELONGATA . "Golden Stars." Clustering, columnar, oppressed yellow spines, yellow flower			2½-3	3-4	
Mammillaria HAHNIANA . "Old Woman Cactus." Flattened globular, white spines, becoming hairy, rose pink flower in early spring			1½-2	2-2½	
Mammillaria HILDMANNIANA . Globular becoming stout columnar, brown medium spines, rosy red flower			1½-2	2-2½	
Mammillaria JOHNSTONII . Globular, gray to brown spines, medium size flesh colored to pink flower				1½-2	
Mammillaria KEWENSIS . Globular, brown spines, rosy flower			1½-2	2-2½	2½-3
Mammillaria LEWISIANA . Flattened globular, small nipples, gray to brown spines				1¼-1½	
Mammillaria MAGNIMAMMA . Hemispherical, large nipples, short curved spines			1½-2	2-2½	2½-3
Mammillaria MICROHELIOPSIS . "Little Suns." Stout columnar, short yellow spines, pink or yellow flowers. Beautiful			1½-2		
Mammillaria MYSTAX . Globular, variable brown spines			1½-2		
Mammillaria NEJAPENIS . A wonderful new plant, globular, covered with fair sized nipples bearing white spines of varying length, yellow flower			1½-2		
Mammillaria PERBELLA . Globular, very short white spines, numerous small bright pink flowers			1½-2		
Mammillaria POLYTHELE . Globular becoming columnar, prominent nipples, few medium spines, purple red flower			1½-2		
Mammillaria RHODANTHA . "Rainbow Pincushion." Globular, numerous yellow to brown spines, ruby flower			1½-2		
Mammillaria SAETIGERA . Globular, very short spines			1½-2		
Mammillaria TETRACANTHA (DOLICHOCENTRA) . "Ruby Dumpling." Globular, straight brown spines, rose pink flower			1½-2	2-2½	2½-3
Mammillaria VAUPELLII "Vaupell's Pincushion". Globular, short nipples, many vari-colored, short straight spines			1½-2	2-2½	
Mammillaria WILDII . "Fish Hook Pincushion." Globular clustering, harmless short spines, one tiny fish hook to each nipple, very free blooming in summer			1½-2	2-2½	
Mammillaria WINTERIAE . Flattened globular, very large, angled nipples, long straight spines			1½-2		
MYRTILLOCACTUS SCHENCKII . Stout columnar, yellow green body with about 6 ribs, short brown spines			1½-2	2-3	
NOTOCACTUS APRICUS . "Sun Cups." Globular, soft gray-brown spines, large yellow flower in May and June			1½-2	2-2½	2½-3
Notocactus LENINGHAUSII . "Golden Ball." Many ribbed, densely covered with weak, yellow spines			1¼-1½		
Notocactus MAMMILLARIS . "Lemon Ball." Globular, short stout spines, many yellow flowers in spring and summer			1½-2	2-2½	
Notocactus OTTONIS . "Indian Head." Globular, weak brown spines, yellow blooms all summer			1½-2	2-2½	
NYCTOCEREUS SERPENTINUS . "Snake Cactus." Fluted columnar, short brown spines, large white night flower in spring and summer	3-5				
OPUNTIA BASILARIS . "Beaver Tail." Purplish pads, no spines, short glochids, large pink flower	2-3				
Opuntia GLOMERATA . "Paper Spines." Egg shaped joints with long white papery spines	1½-2				
Opuntia HAMILTONIAE . Columnar with few spines on definite ribs, yellow flower	2-3				
Opuntia MAMMILLATA . "Boxing Glove." Columnar, short spined. Soon forms strange twisted fasciations	2-3	3-5			
Opuntia MICRODASYS . "Bunny Ear." Rounded pads bearing clusters of tiny yellow spicules	2-3	3-4			
Opuntia MICRODASYS HONEY . Bunny ears with harmless cream colored spines	2-3	3-4			
Opuntia MICRODASYS MINATURE . Baby "Bunny Ears"	2-3				
Opuntia MICRODASYS WHITE . Popular variation	2-3				
Opuntia MONACANTHA (Vulgaris) . Green pads, few spines, yellow flowers	2-3				
Opuntia MONACANTHA BUD . Small "ears" from round seed bud	1½-2				
Opuntia RUFIDA . "Cinnamon Cactus." Rounded pads bearing clusters of reddish-brown spicules	2-3	3-5			
Opuntia RUFIDA BUD . Small "ears" from round seed bud	1½-2				
Opuntia SCHICKENDANTZII . "Mule Ears." Elongated pads, short light brown spines	2-3				

	Price Group		A	B	C	D
	Price per 100		\$7.50	\$10.00	\$15.00	\$25.00
Opuntia URSINA . "Grizzly Bear." Upright pads bearing long, white hairy spines				3-5		
Opuntia VILIS . "Dwarf Mexican Tree." Free branching, very useful when small tree shaped plant is desired			2-3			
OREOCEREUS CELSIANUS . "Old Man of the Andes." Stout columnar, very long white hair over stout reddish brown spines					2-2½	2½-3
Oreocereus FOSSULATUS . Stout columnar with long white hair				2-3	4-5	
Oreocereus TROLLII . "South American Old Man." Stout columnar, covered with silky white hair				1½-2		
PACHYCEREUS PECTEN-ABORIGINUM . "Indian Comb." Stout columnar, about 8 ribs, short, light colored spines			2-3	3-5		
Pachycereus PRINGLEI . "Mexican Giant." Heavy columnar, short, stiff gray spines			2-3	3-5		
TRICHOCEREUS SPACHIANUS . "White Torch Cactus." Fluted, heavy columnar, short brown spines			2-3	3-5		
SUCCULENT PLANTS						
AGAVE BAJA . Broad, triangular, gray leaves			2-3			
Agave LARGE . Broad leafed, gray green century plant				3-4		
Agave PICTA . Rosettes of gray leaves, white margin, white teeth, turning black with age				2-3	3-5	
ALOE BEGUINII . "Pearl Aloe." Dwarf, thin pointed leaves bearing white dots			2-2½	2½-3		
Aloe BREVIFOLIA HUMILIS . Rosettes, pearl gray leaves, salmon flower			2-2½	2½-3	3-4	
Aloe CROSBY HYBRIDS . Globular, broad green leaves, with many white teeth			2-2½	2½-3		
Aloe GLOBOSA HUMILIS . "Crocodile Aloe." Incurved leaves, more compact than Brevifolia			2½-3½	2½-3		
Aloe HUM-VIR . "Needle Aloe." Slender, erect, toothed green leaves			2-3	3-5		
Aloe MITRIFORMIS . Broad blue-green leaves edged with golden teeth			2½-3½			
Aloe NOBILIS . "Gold Tooth." Rosettes, dark green leaves, yellow teeth			2-3	3-5		
Aloe VARIEGATA . "Tiger Aloe." Triangular, gray leaves, white variegation. scarlet flower			2-2½	2½-3½	3½-5	5-6
CEROPEGIA WOODII . "Heart Leaved Rosary Vine." Wiry branches from tuber bearing pairs of heart shaped variegated leaves, curious slender flowers				4-8		
CHERIDOPSIS CANDIDISSIMA . "V for Victory." Forms clusters of pulverulent erect angular leaves, large yellow to pink flower in winter			2-3	3-5		
CRASSULA ARBORESCENS VARIEGATA . "Tri-colored Jade." Bushy, bearing broad leaves colored with pink, yellow and green			3-5			
ECHEVERIA DERENBERGII . "Painted Lady" Rosettes of high colored, hard leaves, free blooming orange-yellow flowers.				1½-2		
Echeveria PULVINATA . "Chenille Plant." Broad leaves covered with soft plush.				2-3		
Echeveria WEINBERGII . Dark purple rosettes				2-3		
EUPHORBIA OBESA . "Basket Ball." Spherical, very hard. A very curious plant from South Africa where further exportation is prohibited					1½-2	2-2¼
Euphorbia SUB-MAMMILLARIS . "Corn Cob." Single branches that resemble a green corn cob, cluster well			2-3			
FAUCARIA TIGRINA HYBRIDS . "Tiger Jaws." Broad triangular leaves dotted and toothed. Yellow flowers in fall			2-2½			
GASTERIA HYBRIDS . "Ox Tongue." Tall, 2-ranked leaves, spotted with white. Very durable			2-3	3-5		
Gasteria VERRUCOSA HYBRID . "Rice Gasteria." Gray green leaves dotted with white			2-3	3-5		
HAWORTHIA FASCIATA . "Zebra Plant." Rosettes sharply tapering upright leaves raised white dots in transverse bands			2-2½			
HEREROA NELII . "Moose Horns." Rosettes of scimitar shaped green leaves, small yellow flowers			2-3			
KALANCHOE TOMENTOSA . "Panda Plant." Broad leaves covered with silver plush, brown spots on margins			2-3	3-4		
KLEINIA REPENS . Bear blue pickle shaped leaves dusted with white powder			2-3			
PLEIOSPILOS BOLUSII . "Split Rock." One to three pairs of thick leaves that resemble stones. Yellow to pink flowers in the fall			2-2½	2½-3		
Pleiospilos NELII . "Cleft Stone." More globular and compact than Bolusii. Slower growing. Yellow to pink flower in late winter			2-2½			
ROCCHIA FALCATA . "Scarlet Paint Brush." Keel shaped, gray green leaves in opposite pairs, large trusses of scarlet flowers in summer			2-2½	2½-4		
SEMPERVIVUM CALCAREUM . Hard-leaved rosettes in familiar "Hen-and-chickens" plant, dark green			1¼-1½			
STAPELIA HIRSUTA HYBRIDS . "Hairy Star Fish Flower." Erect cactoid branches often looking like miniature Arizona Giants.			2½-4			
Stapelia VARIEGATA . "Spotted Toad Flower." Angular notched branches, freely clustering, peculiar spotted, star shaped flower.			2-3			
STOMATIUM FULLERI . Clustering rosettes, toothed, small, thick leaves			2-2½
